The historical mission of our world revolution is to rearrange a new culture of humanity to replace the prévious social system. This conversion and re-organization of global society requires two essential stepq firstly, the destruction of the old established order, secondly, designe and imposition of the new order. The first stage requires elimination of all frontier border, nationhood and culture, public policiy ethical barriers and social definitions, only then can destroyed old system elements of our new order. The first task of our world revolution is "destruction" "
